Sir,

Subject -Re Continuance of toll establishment at Kunigal Town Municipality during the current year

In forwarding, herewith in original, the connected records received from the President, Town Municipal Council, Kunigal, on the above subject, I have the honour to state as follows -

The President states that the continuance of the toll establishment during the year 1942-43 was sanctioned in G.O.No. 7703-4/ 14-4 -5C dated 5-2-1943 and that no sanction of Government was obtained for its continuance during the year 1943-44. It is now stated that the Municipal Council have at their meeting held on 20-10-44 resolved that that the said establishment may be continued during the current year. As there is no change in the strength of the establishments I request that sanction of Government may kindly be obtained to the continuance of this temporary establishment during the year 1944-45, and requisite provision has been made in the budget estimates of this town Municipality during the current year. In the case of the continuance of this establishment during the previous year all provisions have been made in the budget and the expenditure incurred to be regularised.

I have the honour to be,
Sir,
Your most obedient servant,
